

DECLARATION OF CONFORMITY

according to Act No. 22/1997 Coll. section 13(2) as amended and according to Government Decree No.163/2002 Coll. section 13, as amended.

Importer:

AQUAMAT s.r.l., Via Beltrami 47,
I-28024, Gozzano (NO) - Italy

Place of production:

Novaservis spol. s r.o.,
Merhautova 208, 613 00 Brno,
Czech Republic

Product identification data: *Water taps* **AQUALUX** and **AQUASAVE**

Description and purpose of the product:

These are mechanical mixing taps which mix hot and cold water using the controller between the position "fully cold water" and "fully hot water" and control the flow rate in the tap between positions "no flow" and "maximum flow" either using the same controller or another specific device.

Data of the used method of assessment of conformity:

Sample assessment was performed according to Government Decree No.163/2002 Coll. § 5.

List of technical specifications and harmonized Czech technical standards used when assessing conformity: ČSN EN 1111, ČSN 13 7100, ČSN 73 6660, Act no. 258/200 Coll and decree MZ No. 409/2005 Coll.

AQUAMAT s.r.l. declares that products conform to the requirements of the Decree of the Ministry of Health No. 409/2005 Coll. on hygiene requirements for products in direct contact with water and for water treatment.

Data on the authorized body participating in assessing conformity:

The test institute Výzkumný ústav pozemních staveb – Certifikační společnost, s r.o. 102 21, Prague 10, Hostivař, Pražská 810/16, ID No. 25052063, which issued the product certificate No.227/C5/2017/0081 of 2017-05-09 and 227/C5/2017/0080 of 2017-05-09.

Manufacturer's confirmation:

The manufacturer AQUAMAT s.r.l. confirms that the properties of the products meet the basic requirements according to the Government Decree No. 163/2002 Coll. as amended and the above mentioned standard and specification. Under the conditions of standard use specified by the manufacturer they are safe. The manufacturer adopted measures by which the manufacturer secures conformity of the products launched to the market with technical documentation and basic requirements. The manufacturer has secured all requisite measures so that the production process including final inspection and tests of the final product secure uniformity of production and conformity of the products with the types described in the certificate of the product and with the basic requirements applicable to them.
